Step-by-Step Guide to Drawing Moana

1. Basic Sketching and Proportions

Begin by establishing Moana's general shape and posture. For beginners, breaking down her figure into basic shapes simplifies the process.

- Head: Draw an oval shape for her head, slightly wider at the top.
- Guidelines: Lightly sketch vertical and horizontal lines to mark the face's center and eye placement.
- Body: Use simple lines and shapes—an elongated oval for her torso, cylinders for arms, and a guideline for her legs.

Tip: Use light strokes at this stage. Focus on capturing her dynamic pose—perhaps a confident stance with one hand on her hip or holding a paddle.

2. Facial Features and Expression

Refine her face by adding her large eyes, nose, and mouth:

- Eyes: Draw two almond shapes along the horizontal guideline, adding irises and pupils. Capture her lively expression by making her eyes slightly wider or squinting, depending on the scene.
- Eyebrows: Thick and expressive, slightly arched.
- Nose and Mouth: Small nose with a gentle curve; her lips are full and often curved into a smile or determined expression.

Remember to keep her face proportionate—generally, the eyes sit halfway down the head, and the distance between the eyes is roughly the width of one eye.

3. Refining the Hair and Clothing

Moana's hair is one of her defining features:

- Sketch the flow and volume of her hair, emphasizing waves and strands that suggest movement.
- Use sweeping, curved lines to depict her hair's natural flow, adding depth with layers.

For her clothing:

- Draw her crop top with strap details.
- Sketch her skirt with Polynesian-inspired patterns. These can be stylized geometric motifs,

which you can add later in detail.

4. Detailing and Inking

Once satisfied with your sketch:

- Go over your lines with a darker pen or digital brush.
- Add details such as her jewelry, hair strands, and clothing patterns.
- Be mindful of line weight?thicker lines can emphasize contours, while thinner lines can add delicate details.

5. Coloring and Shading

Color your drawing to bring Moana to life:

- Use accurate skin tones, hair color, and clothing hues.
- Apply shading to create depth, especially in her hair, under her chin, and in folds of clothing.
- Highlight areas where light naturally hits?her cheeks, nose, and hair strands.

Digital tools offer layers and blending options to achieve smooth shading, while traditional media require patience and blending techniques.

Advanced Techniques for Realistic and Dynamic Drawings

Once comfortable with basic steps, consider integrating advanced techniques:

- Dynamic Poses: Capture Moana in action?paddling a canoe, dancing, or exploring. Use action lines and exaggerated gestures to convey movement.
- Texture Detailing: Add texture to her hair for realism; incorporate Polynesian tattoo motifs on her skin or clothing for cultural authenticity.
- Lighting Effects: Experiment with dramatic lighting to enhance mood and depth.
